

On April 21-22 we would traditionally invite you to support the area of the University you love the most. Now, we invite you to support the area of greatest need.

## Seton Hall Persevering

Our top priority is the well-being of our community, particularly the students. Since the pandemic began to affect our University, many alumni have reached out to ensure the same. We have already received over \$8,000 in gifts to the Student Emergency Fund, designed to provide financial relief to students enduring unprecedented hardships.

Get a head start on Seton Hall Day of Caring by making a gift today.
